

Memo

To: Ingleby Greenhow Parish report

From: PCSO4829 Pete Lewis

Date: 12th March 2017 – 8th May 2017

Subject: Report for Parish Council Meeting on the 9th May 2017

Over the afore mentioned period the following incidents have been reported to police :

ASB

Auto Crime

12th March – As a result of off road vehicle offence patrols a Motorcycle was seized as suspect stolen near Bankfoot farm – Case is still continuing.

Burglaries

11th April approx. 2310hrs Report from Whitley Farm of an outhouse burglary at an isolated location around Stone Stoup. Nothing appeared to be stolen partly due to the premises having security fitted in the form of sensor locks which alert the owner when they are tampered with. Officers attended but no persons found – Enqs continue.

Criminal Damage

We have had no reports this month

Thefts

12th March Approx 1640hrs A report from a passer by at Ingleby Manor area of a vehicle which appeared to have been damaged or broken into. Side window smashed. The Registered keeper was located who confirmed the break and a laptop stolen – Enqs continue.

Suspicious Activity

We have had no reports this month

OTHER BUSINESS –

Dot Peen Marking

North Yorkshire Police have now got the resource to mark equipment and all kinds of personal items for security.

This equipment is called Dot Peen and we are trying to organise marking days at least once a month in varying locations throughout the Stokesley area.

To date we have had two marking days which has seen a number of members of the community attend and have cycles, garden equipment, Horse tack (incl leather items) tools etc being marked.

Our next marking day is on Saturday 10th June at Millbry Hill store Car Park, Stokesley. Please come along with your equipment if you are interested.

We are always looking for suitable venues to assist the community with this resource. If you have any ideas for suitable venues? Please contact us.

Many thanks,

Stokesley Safer Neighbourhood Team
